In our 41st year of the Minority Health Conference, we remember and honor the life and legacy of our founder Dr. William "Bill" C. Jenkins through the naming of our opening remarks.
(* Denotes gifts made in memory of Bill Jenkins)

Support the Minority Health Conference all year round!

The Minority Health Conference is an annual event that is completely supported through philanthropy. Gifts can be made anytime to support the ongoing efforts and future growth of the conference. Your continued support is essential to providing a forum that highlights effective and engaging advocacy efforts in our communities. Gifts of all sizes are both critical and deeply meaningful to the success of the conference.
