GLOBAL PUBLIC HEALTH

## 46th Annual Minority Health Conference CALL FOR SPEAKERS

We are seeking engaging, dynamic presenters who actively embody this year's conference theme, **Bridging the Digital Divide: Leveraging Technology and Data for Health Equity**. We encourage individuals and/or groups from academic and/or non-academic backgrounds to select subtopics for breakout sessions relevant to their work. This year's conference will examine digital access as a "super determinant" of health outcomes, highlighting strategies to bridge the digital divide and ensure that all communities can benefit from advancements in public health. The goal of the conference is to discuss the transformative potential of technology and data in addressing health disparities. We hope that this theme inspires actionable strategies towards leveraging technology and data to drive health equity, ensuring that no community is left behind in the pursuit of better health outcomes.

### Breakout Session Topics

- Maternal Health & Digital Resources
- Podcasts/Radio Health
- Digital Tools for Mental Health
- Technology and Rural Health (Accessibility)
- Leveraging AI to support Minority Health
- Technology and Environment Health
- Telehealth
- Technology aiding the Elderly
- Digital Health Literacy

Conference Date: **February 28th, 2025**. The conference will be fully in-person with a virtual broadcast.

### Application Components:

- Name(s)/contact information of speaker(s)
- Introduction of speaker(s) (200 words)
- How does minority health relate to the work you will be presenting? (200 words)
- How does your work align with this year's theme: Bridging the Digital Divide: Leveraging Technology and Data for Health Equity? (200 words)
- Title and description of intended session (200 words)
- Confirmation of all speakers' availability on **February 28th, 2025**
- Optional: You may share a video of a talk you have given, a description/abstract of a presentation you have given, or any other demonstrative materials of your previous work
